	Jared Gilseth	<a href="#">Philip Hall</a>
1. What is your name, what office are you running for and why are you running for this position?	<b>No Response Received</b>	Phil Hall, Seat 3 and I'm running to help improve my community
2. How could the water district be improved? Please provide your top 2-3 ideas.	<b>No Response Received</b>	Online Billing, generator for Power outages, and a total system update
3. Do you believe that water districts have a role to play in area growth? Why do you believe this?	<b>No Response Received</b>	Yes, they do have a role to play in area growth, for the reason water is the basic human need.
4. What role should water districts have in the design and authorization of new developments?	<b>No Response Received</b>	The role should be in conjunction with other city needs.
5. Do you believe access to city managed water should be increased to rural communities and why?	<b>No Response Received</b>	Only if that's the will and opinion of the taxpayers, they are the ones
6. Water districts have the reputation of rubber-stamping new developments. What do you believe the proper process should be to include the existing residents (impact area) concerns?	<b>No Response Received</b>	I feel the best solution to discontinue "rubber-stamping" new projects is to elect trusted officials.
7. What recommendations do you have to improve delivery of water in the water district?	<b>No Response Received</b>	Update the water system, and obtain a generator for security
8. What should be the role of the water district be in working with local governing authorities (county commissioners, city planners, etc.) and why?	<b>No Response Received</b>	To be receptive of their input, for the reason, they know what the taxpayers, want.
9. What is your background and why do you feel it qualifies you for this position?	<b>No Response Received</b>	Graduate of WW lineman college, and have 4 years experience in utilities.
