

Boundary County Library Trustee Zone 2

	Jacque Tanner	JoAnne Cady
<p>1. What is your name, what office are you running for and why are you running for this position?</p>	<p>Jacque Tanner and running for the Boundary County Library Board Zone 2</p> <p>I am a long-time Boundary County resident with over 40 years of experience in education. having successfully home-schooled eight children. The library is an important part of our community, and I desire to see it continue to be a safe, health and a resourceful asset to Boundary County.</p>	<p>No Response Received</p>
<p>2. How could the libraries be improved? Please provide your top 2-3 ideas.</p>	<p>I believe there have been some good changes made to the library in the past few years and appreciate the selection of audio books available through partnering with other libraries across Idaho. Keeping materials out of our Library that harms families and children are a top priority.</p>	<p>No Response Received</p>
<p>3. What is your philosophy of selecting new books for the library and how do you plan to implement that philosophy?</p>	<p>The library board does not select new books. Books are selected by a designated library employee and then approved by the director before purchasing. If there is an objectionable book/books, it needs to be brought to the attention of the library director, and then to the board if no satisfactory solution is achieved.</p> <p>I love good literature! Books that inspire and edify, transporting the reader to another time/place, with vivid imagery, and rich vocabulary; to learn about people and places we cannot otherwise know. Dragging our minds through the gutter is NOT "good literature".</p>	<p>No Response Received</p>
<p>4. What is your opinion of HB710 which passed in 2024 restricting access for material harmful to minors? How do you believe this bill should be implemented?</p>	<p>Any material harmful to minors is not acceptable in a public library. I was in favor of HB710 passing, and was sad we had come to think harmful material was "okay" in a public library. Because it is law, it must be implements. I believe our library has complied with that, but if a patron finds something in violation of that law, it needs to be brought to the director's attention.</p>	<p>No Response Received</p>
<p>5. Do you support Critical Race Theory or Diversity Equity & Inclusion, why or why not?</p>	<p>Critical Race Theory, Diversity, Equity & Inclusion are all ideas/theories that are destroying our nation. It is destructive and tears down instead of uniting and building up.</p>	<p>No Response Received</p>
