

Green Ferry Water & Sewer District - Director Seat 1

	Angelo Brunson	Carol Rassier
1. What is your name, what office are you running for and why are you running for this position?	Angelo Brunson Civic duty	No Response Received
2. How could the water & sewer district be improved? Please provide your top 2-3 ideas.	Not sure yet have not attended any meetings	No Response Received
3. Do you believe that water & sewer districts have a role to play in area growth? Why do you believe this?	Yes, but responsible honest growth.	No Response Received
4. Should septic systems on individual properties be required to be brought up to current code levels if that system fails? Why or why not?	I wouldvthink so but can't give the answer to that because I don't have enough information yet.	No Response Received
5. What role should water & sewer districts have in the design and authorization of new developments?	I would assume Capacity would be number 1!	No Response Received
6. Do you believe access to city managed water and sewer should be increased to rural communities and why?	I do not know the answer to that, I do not have enough information yet.	No Response Received
7. Water & sewer districts play a significant role in the approval or denial of new developments. What do you believe the proper process should be to include the existing residents' (impact area) concerns?	Voting	No Response Received
8. What recommendations do you have to improve delivery of water in the water & sewer district?	To early for me to answer the question.	No Response Received
9. What should be the role of the water & sewer district in working with local governing authorities (county commissioners, city planners, etc.) and why?	Honesty, I see alot of greed from cities collecting taxes and I am appalled what they did in Coeur d'Alene on Seltice and Atlas and big ugly mega apartment complexes, or patch 'here' apartments and complexes.	No Response Received
10. Are there any connections either personal or working relationships that would pose a conflict of interest?	No	No Response Received
11. With growing concern over protection of the aquifer, should additional considerations be added to the development review process? If so, what are your recommendations?	Yes, and voting	No Response Received
12. What is your background and why do you feel it qualifies you for this position?	I run and have owned successful restaurants for the last 30 years	No Response Received
