

Lakeland Joint School District #272 Trustee Zone 5

	Jeff Brodhead	Allison Burnett
1. What is your name, what office are you running for and why are you running for this position?	I am Jeffrey (Jeff) Brodhead. Running for Lakeland Joint School District, Zone#5 Trustee. I believe American children are in danger of being under-educated in the basics AND are in danger of being groomed by those intending evil upon that which our Creator meant for good. 2. How could your school district be improved? Please provide your top 2-3 ideas.	First, we need to protect American children from social engineering and self-hate agenda. No amount of either is acceptable - we've seen the effects which teaching children they are not created in God's image, have had upon generations. At the same time, as taxpayers have been plundered of our wealth, to pay for "education", America's reading, writing and arithmetic skills and knowledge of what America is all about, have fallen into a pit. Secondly, I make no claims about being highly educated (I have a 3-year technical degree), nor am I a financial wizard, nor do I have intimate knowledge of the details of Lakeland School District's track record, but in these times of the elimination of the U.S. Department of Education and inflation and decent jobs falling to China (and now ai), this is a whole new world and we best get back to REAL education - not more of the same. 3. What is your educational philosophy and how do you plan to implement this philosophy as a member of the board of trustees?		No Response Received
4. What role should "Diversity, Equity and Inclusion (DEI)" have in the education of children?	NONE. ZERO. NADA. NEVER. NOT EVEN A TINY BIT OF IT, EVER!	No Response Received
5. What is your view on the growth of Charter Schools?		No Response Received
6. Should children be allowed to access obscene materials through school libraries? Please base your answer on the federal definition of obscenity as it applies to minors.	Again, NONE. ZERO. NADA. NEVER. NOT EVEN A TINY BIT OF IT, EVER! Parents must retain (even if they need to be educated to understand) their rights and responsibilities, regarding the absolute NEED to keep little eyes, hearts and minds free of EVIL. One tiny seed can sprout into an unstoppably tangled jungle of destruction and TOO MANY parents are clueless. The Children are Gods and they are on loan to us. Parents have been led to believe that "highly educated" means good and right. That is a fallacy.	No Response Received

7. Do you support or oppose bathroom and locker room usage based on preferred gender identification? Why or why not?	<p>No. It is offensive, intrusive, and just plain WRONG.</p> <p>We have laws against Peeping-Toms. We have a reasonable right to expect that our children are NOT exposed to those who are mentally and spiritually deranged. When a school takes daily custody of the children, it is NOT ownership. The children are NOT theirs to fold, spindle and mutilate.</p> <p>"Preferred gender identification"... That would be the worshippers of Baal going for the second option, having failed to terminate pregnancies in "abortion" - sterilize if you cannot kill and at the very least mess up their hearts and minds such that they will never search for Jesus. It is all Satanic, from the littlest infraction, to the greatest and it MUST be stopped, if within our power... and if not, it must be shouted, so that none have excuse.</p>	No Response Received
8. How should counselors work with parents to resolve issues with their children?	Godly counselors? Yes.	No Response Received
9. What is your opinion on students being able to change their gender without parental notification?	With, is child abuse with complicity of parent(s). Without is child abuse. Either way, it is INSANITY, as gender cannot be changed - God made man and woman.	No Response Received
10. Do you support the 1619 project? Why or why not?		No Response Received
