

Republican Precinct Committeemen 314

	Yasmin Harris	Kellie Palm
1. What is your name, what office are you running for and why are you running for this position?	No Response Received	Kellie Palm and I am running for Republican Precinct Committeeman for 314. Faith, Family and Freedom is very important to me as well as transparency in government. I have served in this position for four previous Elected terms.
2. Do you believe that the central committee should endorse candidates in primaries and non-partisan elections? Why or why not?	No Response Received	I don't agree that we should rate and vet in a non partisan race (as we are the Republican Central Committee) and we should not get involved in judicial races as they adhere to higher standards and rules than a Precinct Committeeman.
3. How will you inform the people you represent about the goals and objectives of your central committee?	No Response Received	Anyone who knows me, knows that I'm not afraid to reach out to my community and keep them informed on what the Central Committee is up to. I question items that don't follow what the Republican Central Committee's role and don't adhere to National Party rules.
4. What do you consider the most important qualities in a candidate for local office?	No Response Received	Honestly, Morality, and Integrity.
5. Do you believe your values accurately reflect the values of Kootenai County residents? How will you work to incorporate those values into the central committee?	No Response Received	America is celebrating its 250th Anniversary and I believe we need to get back to why our founding fathers created this nation. The current group has a lot of different agendas. I feel we should adhere to conservative values and principles that built this country and not stray from those.
6. Becoming a precinct committeeman is the most direct way to influence your local party, shape its priorities and fight for the principles that built this nation. Are you willing to vote for these principles even when they are not popular? Please explain your answer.	No Response Received	I have lived in Kootenai County for 44 years, been married to the same Christian Conservative man for the past 34 and have raised 2 amazing daughters. I truly love where we live and strive to make sure we keep our freedoms and our right to vote. Faith, Family, and Freedom is what I stand for.
7. Meaningful change begins in our local elections. As precinct committeemen you serve as a link between the voters and your parties' leadership. What are two or three top priorities that you want to bring to the central committee?	No Response Received	Transparency and Adherence to the Rule of Law and not Roberts Rule of Order being used as a weapon to remove Precinct Committeeman that do not follow the agenda that is trying to be pushed. We need to question and take action to stop such procedures.
8. Are you willing to hold party leaders and candidates accountable to stay focused on principle over compromise? How will you do this?	No Response Received	Yes . It starts by getting the right people elected to replace people that put party over principle and personal agendas over what's good for our County.
