

Republican Precinct Committeemen 407

	Mary W. Souza	Jeremy R. Williams
1. What is your name, what office are you running for and why are you running for this position?	Mary Souza. I am the incumbent PC for Precinct 407 and am running again to help bring new, more transparent, respectful leadership to the KCRCC. The Republican voters of Kootenai County deserve honest leadership that follows the values of our national Republican Party.	No Response Received
2. Do you believe that the central committee should endorse candidates in primaries and non-partisan elections? Why or why not?	No. I believe the role of the Republican Central committee is to promote Republican values, inform voters about the importance of the Primaries, and to direct them to sources for candidate information on ALL Republican candidates so they can make their own choices. 3. How will you inform the people you represent about the goals and objectives of your central committee?	I will inform my precinct of my goals and objectives by mail and email.	No Response Received
4. What do you consider the most important qualities in a candidate for local office?	Honesty and personal integrity, as well as the strength of character to stand against influences that do not align with Republican values.	No Response Received
5. Do you believe your values accurately reflect the values of Kootenai County residents? How will you work to incorporate those values into the central committee?	My values do reflect my precinct and the majority of Kootenai County. Our current KCRCC has members who do not align with our county's Republican majority, so more transparent and responsible leadership is needed.	No Response Received
6. Becoming a precinct committeeman is the most direct way to influence your local party, shape its priorities and fight for the principles that built this nation. Are you willing to vote for these principles even when they are not popular? Please explain your answer.	Yes, absolutely. I did so during my 8 years as the State Senator from District 4, CdA, and also the past two years as the PC from 407. It is gravely important that we stand strong for traditional Republican values! 7. Meaningful change begins in our local elections. As precinct committeemen you serve as a link between the voters and your parties' leadership. What are two or three top priorities that you want to bring to the central committee?	Honesty, transparency, and rational discussion.	No Response Received
8. Are you willing to hold party leaders and candidates accountable to stay focused on principle over compromise? How will you do this?	Yes. We need responsible leadership.	No Response Received
